

constant_time_select_8

```
graph LR; A[constant_time_select_8] --> B[constant_time_select]
```

A diagram showing a mapping from a source node to a target node. The source node, labeled 'constant_time_select_8', is a gray rectangle with a black border. A dark blue arrow points from the right side of this node to the left side of the target node. The target node, labeled 'constant_time_select', is a white rectangle with a black border.
