

AddBytes

```
graph LR; A[AddBytes] --> B[RAND_add]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'AddBytes'. The right box is white and contains the text 'RAND\_add'. A dark blue arrow points from the right side of the 'AddBytes' box to the left side of the 'RAND\_add' box.

RAND\_add
